LOTS TO OFFER

SP 53 is a school that knows how to engage its students in relevant matters, encourages them to advance in various areas and inspires them to aim high and follow their dreams. All that in a friendly and safe atmosphere!

BEST RESULTS

We are the best school in the region and our results exceed the national average in the school leaving exam taken at the end of the primary school. Our students excel also at many competitions of regional and national level not only in academic fields but also in sports.

IB MYP

The IB Middle Years Programme allows its students not only to excel at their academic achievements, but also pursue their personal development and creativity. It offers a holistic approach which seeks to link the academic knowledge with the world outside the classroom through meaningful and practical actions. Year 7 i 8 in our school covers the first two years of the IB Middle Years Programme which is further continued at the international section of our high school.

WHY SP 53?

Our strong points such as excellent exam results, wide range of extracurriculum classes and friendly atmosphere cause that we stand out from the crowd! We are also the only school in the region which is a candidate school and implements the IB Middle Years Programme*
