## II Liceum Ogólnokształcące in Białystok

*Empowering students for life*

## Our school

*Our school is a guarantee of safety, engagement and highest standards.*

*II LO combines the rich traditions of an over 100-year-old establishment with modern approach and state-of-the-art base.*

*Our strong points such as excellent exam results, wide range of extracurriculum classes and friendly atmosphere caused that the school has been ranked the best school in the region for the past three years in a row. We are the only school in the region to offer the IB Diploma Programme as a part of our international cohort (class 1g)..*

## Why IB at II LO?

- *a programme of the highest educational standards*
- *a chance to become fluent in English*
- *the possibility to choose your own selection of subjects*
- *small teaching groups*
- *holistic approach to student's development*
- *excellent and modern school facilities*
- *experienced and dedicated teachers*

***"We are committed to giving a great educational experience to prepare every student for the future. "***

## Our Classes

*The international cohort of our school is offered as a four-year educational course that combines the two final years of the IB Middle Years Programme and then the two years of the IB Diploma Programme where English is the language of instruction in all classes apart from Polish literature and foreign languages.*

## Our Curriculum

*As the only school in Białystok we are authorised to teach the IB Diploma Programme curriculum which allows our students not only to develop their talents and excel at academic achievements, but also maintains its rigours and devotion to high academic standards.*

## Our Faculty Members

*Our learning methodology is centered on the balanced development of our students' breadth of knowledge, both in academics and in real-world scenarios, through traditional, creative, and hands-on approaches. Their efforts are supported by experienced and devoted staff members.*
